Dear Membership,

Let me begin by saying “thank you” for making our 2010–2011 year successful. Your support and participation at Police events has been noted and appreciated. To the residents of Stonebridge Manor, we thank you for all of your support and help with your fund raising efforts.

Our 2011–2012 year promises to be busy and exciting. At our next General Meeting, our CPAAAN Officers for 2011–2013 will be sworn in and we will have a presentation from the Crime Prevention Unit.

June 23, 2011 at 6:30 PM will be the Citizens Police Academy Graduation. It would be greatly appreciated if you could bring a dish to share. July 7, 2011 will be the start of Movie Night on the South Side, and CPAAAN will be participating. Email notices will go out and you may check the CPAAAN Website for dates, times, and locations. National Night Out will be August 2, 2011 in East Ocean View. We will need volunteers at our CPAAAN table and also participants for the parade.

We cannot forget to thank the Gang Unit for their work on this year’s Crime Scenario. Last but certainly not least, I thank the CPAAAN Board, our Web Master, the Committee Chairs, the Committee Members, and all of the Membership for making this a great year.

~ Yvette Brown, President
Officer Brian W. Jones was named CPAAAN Officer of the Year for 2010. While assigned to the Third Patrol Division, Officer Jones has led the Police Department with forty-six (46) DUI arrests. He continues to aggressively seek out and arrest DUI-related code violators.

Officer Jones is regarded by the Commonwealth’s Attorney’s Office as, “one of the best” in regards to the prosecution of DUI offenses. Captain J.N. Clark states that Officer Jones has streamlined the paperwork portion of the arrest process by converting to PDF forms which make the paperwork easier. Officer Jones has shared this computerized version of the DUI forms with fellow officers within the Third Patrol Division and the paperwork is now being considered for department-wide distribution. This system leads to fewer errors and saves officers a great deal of time. As a result, not only is the arrest process quicker and easier, but it has also increased the likelihood of successful prosecution.

Police Officers’ Memorial

At 10:00AM on Wednesday, May 18, the Norfolk Police Officers’ Memorial Service was held in City Council Chambers at City Hall. The Norfolk Police Department paid tribute to all Law Enforcement Officers who have made the ultimate sacrifice, but in particular honored the 38 Norfolk Officers who lost their lives in the line of duty over the past century while wearing the badge of the Norfolk Police Department.

The National Anthem was sung by Firefighter Gary Goggin. Acting Chief Sharon Chamberlin spoke about the Purpose of the Program. The memorial Proclamation was read by Vice-Mayor Anthony Burfoot.

Presentation of Memorial Wreaths was announced by Sgt. Major Ollan Burruss, followed by a musical selection Going Home performed by Bill Wagner. After reading of the Honor Roll by Captain Walter Driskell, there was a rendition of Taps. Amazing Grace was then performed on the Bag Pipes by Bill Wagner and Lt. Harry Twiford. Roses of Remembrance were placed in honor of the fallen officers.

CPAAAN will co-sponsor with the Norfolk Police Department and Department of Parks and Open Spaces in providing a summer movie activity during July and August for youth. This project, Summer Movie Nights in the Southside, was requested by the Southside Task Force to give the youth an opportunity to have a wholesome family oriented event during the summer months that would foster good community relationships. Councilman Paul Riddick requested that Parks and Open Spaces lead this project with financial assistance from the Norfolk Police Department. Marcus Jones, Norfolk City Manager expressed his appreciation in a letter which Lt. Marian Miles presented to CPAAAN for our generous contribution to this project.

Have a Fun, Safe, and Healthy Summer –
See you in September
A Home That Looks Lived In

Summer fun is right around the corner and it’s time to think about how to protect your home while out and about locally or while away for an extended period of time. Most thieves look for the “easy take” and that translates into homes and businesses that are unoccupied and easy to access. Unfortunately, summer vacations can make homes the perfect unoccupied target.

The “lived in” look is the most critical part of your home security strategy. Most burglars dread breaking into a home that is occupied, because their primary goal is to steal, not to confront. Here are some important crime deterring tips for your residence that will help ensure your home looks just like it did when you left.

- Have a trusted neighbor pick up your mail and newspapers. If you do not have someone you trust, then contact the postal service and newspapers to put a hold on delivery.
- If your garbage cans have been put out for pickup, make sure someone brings them in right after pickup.
- Lights and sounds on timers make your home appear occupied. Set a timer for a couple of lights and a stereo and have them go on and off at the normal times of day that you would be using them.
- Your driveway a parking lot? Yes! Have your trusted neighbors park their vehicles occasionally in your driveway. This sends a message to burglars who may be watching for vacation-absent residents who have the same car parked in the driveway gathering dust.
- Lock up! In all the rush to catch the train, plane, or simply to hit the road, it can be easy to forget to lock up. Be sure to take the few minutes necessary to walk through the house and lock all doors and windows. A few minutes could save you a bundle.

Whether you spend your summer at home or traveling abroad, enjoy; and don’t forget your crime prevention mindset before you leave the house.
