The President’s Beat

Dear Membership,

What a busy month we had last month, we celebrated the 25th Anniversary of the Crime Prevention Award Ceremony. We thank all of our supporters and contributors. I want to give a very special thanks to the 2018 Crime Prevention Awards Planning Committee. It is equally important to recognize Thomas Harris, Gracie Branch, Mary Babcock, Linda Stokes and Tony Derrell for all that they did to make this year’s ceremony a success. For those who were unable to attend the Award this year, you miss hearing Emmanuel Obie, saxophonist/bassist and I can tell you, everyone enjoyed his music. I can’t thank Emmanuel enough for playing for us. He is a talented rising star.

CPAAAN would like to thank our guest speaker SAC Martin Culbeth, Norfolk Office of the FBI, for his outstanding presentation. Our members had lots of questions and I can tell the presentation was enjoyed by all.

We are almost at the end of our CPAAAN working year, so I hope you will continue to support our CPAAAN meetings. This month our speaker will be from the Coast Guard. I look forward to seeing you at our next General Meeting, April 17, 2018 at 7pm.

Yvette Brown
President
The advent of Spring, has presented officers and citizens alike, more opportunities to connect through community outreach partnerships! We thank you for your continuous and loyal support, and recent attendance at last month’s Active Threat Response Training and Awareness event, in partnership with Calvary Revival Church, our faith-based partners. Over 500 citizens gained awareness and insight from officers, for response should they be present during an active threat of violence at their places of worship, employment or other venue. Norfolk-Fire Rescue and Norfolk Public School were also instrumental partners for training, and messaging.

During this month of April, we observe National Crime Victims' Rights Week, April 8-14. This year’s theme is Expand the Circle: Reach All Victims. The National Office for Victims of Crime, have promoted victims' rights and honored those who have advocated for them. During this year’s observance, I ask that you acknowledge victim's families and friends and reach out with kind words, or an expression of remembrance. The loss of a loved one is never forgotten, nor the violent act and emotional pain and suffered endured. My team and I are planning a listening and resource forum in partnership with a non-profit organization, whose members have experienced the loss of loved ones through homicide, or gun violence. Please stay tuned to Norfolk Police social media, for date, time, and location.

Yom HaShoah (Holocaust Remembrance Day)

History

The Holocaust Remembrance Day, (Yom Hashoah, Hebrew: יומם השואה) seeks to commemorate the Holocaust, a systematic and state-planned program to murder millions of Jews and other minority groups in Europe. This program of mass killing was run by the German Nazis in the 1930s and 40s during the Second World War, where Jews and minorities were brought into concentration camps and murdered at the hands of Nazi officials.

This observance seeks to remember and honor the victims of the Holocaust, including six million Jews and thousands of Russians gypsies, homosexuals, disabled persons and other minorities.

Yom HaShoah (Holocaust Remembrance Day) Facts

- In 2017, Yom Hashoah commences on Sunday, April 23rd and continues until nightfall on Monday, April 24th.
- Yom Hashoah is an Israeli Festival, as opposed to an ancient Jewish festival. Yom Hashoah was inaugurated sixty years ago in 1953. It was instituted by the Israeli Prime Minister David Ben Gurion and the President Isaac (Yitzchak) Ben Zvi. The Ancient fast of the Tenth of Tevet (December) is the day on which the siege of Jerusalem commenced, prior to the destruction of the Holy Temple. Many Jews commemorate the Holocaust on this day.
- In Israel, on the Eve of Yom Hashoah, a siren is sounded, followed by an official memorial service headed by the Prime Minister, President, Army Officials and Holocaust survivors. The service includes speeches, Kaddish and El Maleh Rahamim (memorial prayers) and the Hatikvah (Israel National Anthem). Another siren is heard in the morning, followed by various memorial services.
- The date of Yom Hashoah was originally planned to commemorate the Warsaw Uprising (19th April 1943), but was postponed until 27th April due to the clash with the Passover Festival, which commences on the next day.
