**Dear Membership,**

Thank you to our CPAAAN Members who attended our March General Meeting. I would also like to thank Ms. Taylor for volunteering to be our new Recording Secretary.

Last month, we were fortunate to have Susan Stanitski as our Guest Speaker. Ms. Stanitski is the Director of the Virginia Department Of Forensic Science, Eastern Laboratory. This laboratory evaluates collective and packaged evidence by Police in Norfolk, Roanoke, Richmond, Manassas and as far as Williamsburg, Southampton County and the Eastern Shore. Ms. Stanitski also spoke about Club drugs. It seems drug dealers are making their own pills, mixing heroin and fentanyl. Both of these drugs affect the nervous system. Ms. Stanitski gave us a very informative presentation, and hopefully we will see her again in the future.

March 28, 2019 at 6:30pm was the opening night for the Spring Citizen Police Academy Class. To our CPAAAN members that attended, I thank you, so much for your assistance in bringing refreshments. The class greatly appreciated the refreshments.

April 3, 2019 at 6:30pm was the NPD’S first Community Police Academy (In Española). What a great class and equally great for the Norfolk Police Department to take the initiative to offer the class.

April 27, 2919 at 9am through 5pm will be the Summer Job Fair hosted by the Norfolk Police Department. The event will be at Booker T. Washington High School, 1111 Park Ave., Norfolk, VA. 23504. If you would like to volunteer for about 4 hours, please let me know at our General Meeting.

I look forward to seeing you at our next General Meeting and welcoming our speaker, Sheriff Joe Baron, on April 16, 2019 at 7pm.
